

## WASH & GO

### ROLLER MOP - WRINGER - GREEN COLOUR

Product code. 00003410

DRY is the new wringer conceived to squeeze at best Wet System spare mop heads with no effort. As it is bottomless, it helps saving time, as both rinsing and squeezing take place within it, thus avoiding unpleasant dripping on the floor. It is completely Dry must be used with the Wet System frame Light, with either cotton or microfibre spare mop heads. Dry wringer fits all TTS trolleys.
